**RENEWED PETITION TO REVIVE UNDER 37 CFR 1.137(b)**

August 1, 2007

Honorable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Reference is made to the Decision of the Petition's Examiner dated July 25, 2007.

Applicant's earlier filed Petition cannot be accepted because of discrepancies relating to the electronic signature thereto. Counsel for Applicant was unaware of the specific requirements for an electronic signature and shall adhere to those requirements when using an electronic signature in the future.

Applicant herewith renews its Petition to Revive the subject application.

Applicant states that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

It is believed that the Petition fee has previously been debited from the account of the undersigned.

Granting of the subject Petition is now respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Michael J. Striker', with a long horizontal line extending to the right.
